

Curriculum

Module 1 - Resources

The Brink Expedition and the Earth Charter

Suitable for Lower Secondary

Core Learning Outcomes Levels 5 and 6

Developed by: Cath Grealy and Jane Kelly

Grateful thanks and special acknowledgement to Brian Hoepper and Karen Livingstone

In partnership with:

Brink resources

- Brink Expedition School pack: Schools around the world registering online at the schoolroom at www.brinkx.org will receive an expedition kit complete with wall map of the world, a copy of the Earth Charter, UNESCO CD “Teaching And Learning For A Sustainable Future”; Brink brochures and stickers. The Brinkx website gives students an opportunity to participate in online forums through the Brinkx chat room and talk live to the expedition team!
- Brink Expedition Curriculum Teacher Pack: Includes an overview of the SOSE outcomes covered by each module of the Brink Curriculum; an Expedition route and hotspot table and a list of annotated websites.

Other Resources

- Earth Charter (See Attachment)
- Revised version of Earth Charter for children (See Attachment)

Print Resources

- *Classroom connections* Murdoch, M. Eleanor Curtain 1998
- *We the World* pack available free from Survival International.
Send an A4 SAE to 6 Charterhouse Buildings, London EC1M 7ET, United Kingdom or email: info@survival-international.org. Website: www.survival-international.org
